

was The Book Fair Committee presents

The West Amwell School Book Swap

Monday, June 11

A book swap is an exchange of gently used books between students. Students may bring in any amount of gently used books – up to two grocery bags worth – that they would like to swap for new books the week of June 4-8.

Collection boxes will be in classrooms. Books may also be dropped off to the office.

Books for grades K-7 are welcome. Upper grade chapter books from older siblings especially needed. No board books please.

Please only send books in the condition you would want your child to bring home.

Every class will visit the swap and have a chance to bring home some “new to them” books for summer reading. The exact amount will be determined based on donations.

Any leftover books will be donated to Books In The Park Charity.
