Dear Parent(s)/Guardian(s),

Week of Respect is almost here! The first week in October (October 2nd-6th) is recognized as the Week of Respect in New Jersey schools. Our school is excited to be observing this week with your child by providing age-appropriate activities and instruction focused on character building and bullying prevention. In addition to school-wide lessons and activities, the Week of Respect will include themed dress up days. Please see the attached schedule below. We encourage you to discuss with your child the meaning of respect and ways to show kindness and compassion for others. Thank you in advance for your participation and support!

In addition to our themed dress up days, other WOR activities include:

- **Classroom guidance lessons on respect and anti-bullying at all grade levels**
- **School-wide project-"WAS has the Keys to Respect"**
