RANDOM ACTS OF KINDNESS WEEK 2024

FEBRUARY 12TH-16TH

Random Acts of Kindness (RAK) Week activities will provide students and staff with opportunities to learn, explore, and practice kindness.

For more information and additional resources visit randomactsofkindness.org.

SCHEDULED EVENTS AND ACTIVITIES

♥ **WAS Kindness Quilt**

Students will create their own quilt panels in Art class that include ways they can show kindness. They will be put together to create one large quilt that represents our school.

♥ **Class to Class Kindness**

Each class will have an opportunity to do something kind for another class. It could be writing kind notes, drawing pictures, making up a song, etc.

♥ **Great Kindness Challenge Checklist**

Students are challenged to perform as many kind acts as possible from the checklist throughout the week. Participation in the challenge will earn us recognition as a Kindness Certified School. Download the checklist [here](#).

♥ **Staff Appreciation Station**

Our PTO and parent volunteers will be generously providing food and RAK snacks throughout the week as an act of kindness for staff.

ELEMENTARY SCHOOL NEWSBITE

Music with Ms. Kaitlyn Flynn

In 3rd grade music, students expressed their creativity with Orff instruments. They worked in small groups to practice reading and playing rhythmic patterns on a single note. Students improvised and/or practiced (playing the patterns how they decided within their small group), then put them all together in a class performance.

In general music classes, students listen, play instruments, and create music in different ways each week, as well as experience music through movement (using parachutes, scarves, body percussion, and more.)
