CAMP FAIRVIEW 2024

The 6th grade Camp Fairview Lake trip provides South Hunterdon students with a unique opportunity to form new relationships, learn in a new environment, and challenge themselves. South Hunterdon Regional High School juniors and seniors are selected as counselors after a screening process that involves applying and interviewing.

Camp Fairview Lake provides a safe, positive, and memorable atmosphere for all students to grow during the three days we are there. Students spend their days with familiar teachers, Camp Fairview staff, and their counselors.

This year's trip was fantastic, full of team building activities, ecological education, and even a 3-mile hike along part of the Appalachian Trail! Most of all, WAS and LPS students connected with each other and made lasting memories during the activities, meals, and overnights.
